

# Summit Student Conference

## August 8-20, 2010

[www.summit.org](http://www.summit.org)

Summit Student Conference is an intensive two-week educational conference for high school and college students that analyzes the major worldviews of our day, contrasting them with the Christian worldview. It is presented by Summit, an educational Christian ministry whose very existence is a response to our current post-Christian culture.

Countless Christians are renouncing their faith and many more are adopting the false humanistic philosophies and religions of our day. Summit views its role in God's kingdom as a catalyst to counteract this alarming trend, teaching Christians to analyze competing ideas, challenging them to stand strong in their faith, educating them to defend truth, and ultimately equipping them to impact the world for Christ.

"Local churches need to encourage youth group leaders to go beyond volleyball and pizza parties and begin to teach apologetics and worldview issues. Summit Ministries is pointing the way."  
— Chuck Colson, Founder, Prison Fellowship Ministries

"I consider Summit Ministries to be one of the very best resources available, and I don't say that lightly."  
— Dr. James Dobson, Founder, Focus on the Family

"My own son was one of those who came face to face with a biblical worldview at the Summit. It was by far one of the most significant conferences he has ever attended. The impact will affect Sean the rest of his life." — Josh McDowell, Founder, Josh McDowell Ministries
